The parties agree that neither this appointment nor the distributorship hereby created has any monetary value to Distributor. Distributor will carry the LNC product line for some of the Products currently existing as well as new Products to be manufactured under the Trademarks listed in Exhibit 1. Distributor has the right of first refusal to sell any new Products that LNC develops in the exclusive Product categories listed on Exhibit 3 and LNC will not withhold any such products from the Distributors evaluation.

- (i) the Distributor has notified LNC in writing that Distributor does not intend to carry such Product Categories; or
- (ii) The Distributor verbally informs LNC that Distributor does not intend to carry such Product Categories and LNC confirms the same to the Distributor in writing, and the Distributor then fails to confirm in writing within 7 days of receipt of such notification that Distributor will in fact carry such Product Categories,

and provided that, in each case, LNC does not offer such Product Categories on any better terms than those offered to the Distributor ; however, Paragraph 1.A.(i) & 1.A.(ii) do not apply to the terms and conditions under the Nûby "Natural Touch" line set forth in Paragraph 1B below.

In the event that the Distributor fails to make the aforesaid listings, its exclusive right to market and distribute the Nûby Natural Touch Products on Exhibit 3(A) in the Territory shall automatically be converted into a non-exclusive right to market and distribute the designated Nûby Natural Touch Products in the Territory, and the minimum Product sales figures set out in Exhibit 2 shall be reduced accordingly as set out in Exhibit 2, except that no such reduction will take place in the event even if Distributor confirms to LNC in writing on or before September 1, 2008 that it has performed the listings with the designated launch dates set forth in Paragraph 1.B.(i), (ii), and (iii), but in fact the launch set forth therein does not occur on the designated dates. For the avoidance of doubt, the Distributor's exclusive right to market and distribute all other Nûby Products, listed on Exhibit 3 other than the designated Nûby Natural Touch Products listed on Exhibit 3(A) and the Excluded Products listed in Exhibit 3(B) in the Territory shall not be affected. In the event that the Distributor fails to meet its minimum sales for the Natural Touch Bottles or meet the listing requirements in paragraph 1.B.(i),(ii), and (iii), resulting in said Product line becoming non-exclusive to Distributor, LNC agrees that the designated Natural Touch Products listed on Exhibit 3(A) will not be offered to anyone else in the Territory on better commercial terms than those offered to the Distributor. Distributor acknowledges and agrees that in the event that the Trademark Nûby "Natural Touch" should ever be challenged and ultimately disallowed, that LNC has the right to rename this Product line and said newly named Product line will be subject to all of the terms and conditions set forth in this paragraph and subject to the pertinent provisions of this Agreement.

For the avoidance of doubt, in the event that the Distributor obtains a listing for Nûby Natural Touch Polypropylene bottles in accordance with Paragraph 1.B.(i) and 1.B.(iii) it is not also obligated to obtain a listing for Nûby Natural Touch Polycarbonate bottles and vice versa.

- C. Distributor acknowledges that it has no right to distribute Products listed on Exhibit 3(B) under this Agreement.

- (B) If LNC fails to carry out any or all of its obligations set forth in this Agreement and continues to fail to do so after the expiration of one hundred and twenty (120) days after actual receipt of written notice from Distributor specifically stating those respects in which Distributor believes LNC has failed to perform its obligations, Distributor may terminate this Agreement, by giving LNC written notice of such termination by registered mail, the effective date of which shall not be less than thirty (30) days after the receipt of notice by LNC.
- (C) Termination of this Agreement shall not release either party hereto from any liability which at the time of termination has already accrued to the other party hereto or which thereafter may accrue in respect to any act or omission prior to such termination. LNC at its option may repurchase Products from Distributor at the landed cost paid by Distributor or at any price agreed to between Distributor and LNC. If the inventory is not repurchased by LNC, parties agree that any dispute should be settled in good faith and in the best interest of each party in order to avoid destruction on the one hand and market dumping on the other hand. - (E) In the event any license, property or trademark which has been licensed to LNC is terminated, the remaining portion of this Agreement will remain in force without any change. In the event that the License agreement between Admar International Inc is cancelled either in part or in total, or LNC ceases to have the rights to license any part of the Trademarks listed in Exhibit 1 then the Guaranteed Sales figures listed in Exhibit 2 and the corresponding minimum commission will be reduced by an amount that is proportionate to the sales to be lost as a result of the loss of such rights. The ratio will be calculated using data from the previous 12 months on each Product in each category listed on Exhibit 2 and the amended Exhibit 2 will become effective on the date that the Licensed Products are no longer able to be sold.
- (F) Either party may terminate this Agreement or any portion thereof at any time, without cause, upon not less than 6 months written notice to the other party, such notice not to be served before 1 September 2008. No compensation will be payable by the terminating party to the receiving party for loss or damage resulting or arising from termination in accordance with this Paragraph 18(F), and the Distributor will not be liable to meet the Guaranteed Sales figures listed in Exhibit 2 and will pay the corresponding minimum commission which will
